Animal Science Products Announces the Appointment of Culley Wilson as Integrated Business Unit Manager

Wednesday November 19, 2008

Nacogdoches, Texas- Animal Science Products Inc., a leading privately-owned premix blender, feed additive distributor and package goods manufacturer, announced today that Mr. Culley Wilson has joined the company as the Integrated Business Unit Manager.

Mr. Wilson currently lives in North Carolina and will continue to reside there. For the last three years Mr. Wilson has been with Schering-Plough working as a Key Accounts Manager to integrated pork producers. Mr. Wilson will have the responsibility of managing the Integrator Business Unit. Commenting on Mr. Wilson's appointment, Bailey Reynolds, Animal Science Products' President said, "We are pleased to have Culley rejoining our team and look forward to him utilizing all of his energy and creativeness to lead this Business Unit."

Animal Science Products, Inc. is a family owned and operated business that was founded in 1985 to service all facets of the feed and food animal production industry. The firm produces and distributes a full array of high-quality feed additives, micro ingredients and premixes for all species. Animal Science Products also serves the livestock, poultry, and companion animal markets with nutritional and health-related packaged goods. The company currently has sales in twenty three states and twenty five countries.
